Re: EX PARTE SUBMISSION
WT Docket 03-66; Amendment of Parts 1, 21, 73, 74, and 101 of the
Commission's Rules to Facilitate the Provision of Fixed and Mobile
Broadband Access, Educational and Other Advanced Services in the 2150-
2162 and 2500-2690 GHz Bands

Dear Ms. Dortch:

On December 2, 2005, Mr. Dennis Patrick had a telephone conference with
Chairman Martin regarding the above-referenced docket. Mr. Patrick recommended that,
if the Commission is considering providing a period of time for negotiations between co-
channel licensees whose service areas substantially overlap, it should identify the criteria
the Commission will consider in resolving the matter in the event the negotiations fail.

Very truly yours,

Bruce D. Jacobs
